

Project Profile

Dallas All-Sports Association

The Dallas All-Sports Association is a premier Dallas organization, showcasing some of the top names in Dallas and international sports. When this high-profile group contacted Stage Right to handle their production for the show in the Fairmount hotel, Stage Right knew exactly what to do to make their show a memorable experience.

Using custom gobos, moving lights, state of the art sound, image magnification/playback video, and decor, Stage Right was able to provide a show that amazed audience members. "The best show in years!" was heard several times throughout the house, and the Association members were equally pleased with the professionalism and technical acumen displayed by the staff of Stage Right.

We at Stage Right look forward to doing the 2005 All-Sports show. Until then, check our website for more project profiles on our corporate clients!

Gear List

Sound: Flown DeltaMax rig with Midas console

Video: two flown 9x12 front projection screens
